

CERTIFICATE OF APPROVAL

This is to certify that the Quality Management System of:

INDURA S.A. Industria y Comercio
Santiago, Chile

has been approved by Lloyd's Register Quality Assurance
to the following Quality Management System Standards:

ISO 9001:2008

The Quality Management System is applicable to:

Design and Manufacture of Manual Arc Welding Electrodes and Welding Rods. Manufacture of Mig/Mag Welding Wire and Submerged Arc Welding Wire. Production and Distribution of Cryogenic Liquids (Oxygen, Nitrogen & Argon) in Bulk, Helium and Liquid CO2 Industrial and Food Grade. Filling of Cylinders with CO2 / Nitrogen Gas – Food Grade, Oxygen and Compressed Air. Production and Filling of Nitrous Oxide and Mixture of Special Gases. Production, Filling and Distribution of Medical Oxygen. Conditioning, Storage and Distribution of Liquid Medical Oxygen. Sales of Welding Consumables and Gases. Customer Services Centre and Reimbursement. Technical Services for Industrial Equipment. Technical Services for Medical Equipment. After Sales Services. Design and Installation of Piping Distribution Systems for Medical, Industrial and Scientific Gases. Project Management in Gases and Welding areas.

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

Approval
Certificate No: SAC 0703034/A

Original Approval: 7 July 1999

Current Certificate: 1 August 2011

Certificate Expiry: 31 July 2014

Issued by: Lloyd's Register Central & South America Ltd
on behalf Lloyd's Register Quality Assurance Limited

This document is subject to the provision on the reverse

This approval is carried out in accordance with the LRQA assessment and certification procedures and monitored by LRQA.
The use of the UKAS Accreditation Mark indicates Accreditation in respect of those activities covered by the Accreditation Certificate Number 001
Macro Revision 13
